Information regarding illegal ship recycling, penalties and follow-up actions undertaken by the Member State.

The Slovak Environmental Inspection did not detect any illegal recycling of ships as part of the state supervision carried out under the Waste Act, and therefore did not impose any sanctions in this area.

Comments

At the moment, there is no maritime ship registered under the Slovakian flag in the Maritime Register of the Slovak Republic. Accordingly, no RfRCs have been issued, and no Statements of Completion received.
